SUMMARY

Mechanical Engineering graduate with a strong foundation in software development and front-end technologies. Proficient in Python, JavaScript, React.js, HTML, CSS, Bootstrap, Tailwind CSS, and SQL. Experienced in developing responsive web applications, reusable React components, and user-friendly interfaces through personal projects. Passionate about solving real-world problems, learning new technologies, and contributing to innovative software development teams.

SKILLS

Programming Languages:

Python, JavaScript (ES6+), Basic Java

Front-end Development:

React.js, HTML5, CSS3, Bootstrap 5, Tailwind CSS,

Database:

SQL ,MongoDB

Tools:

Git, GitHub, Visual Studio Code

Core Competencies:

Front-end Development, Responsive Web Design, Component-Based Architecture, UI Development
Debugging, Problem Solving, Version Control, Team Collaboration

EDUCATION

Mechanical Engineering ,

2022 - 2026

St.Xavier's Catholic College Chunkankada.

CGPA - 7.64.

PERSONAL PROJECTS

1. Responsive Personal PortFolio Website

Technologies : React.js, Javascript, HTML5, CSS3

- Developed a responsive personal portfolio website using React.js.
- Showcased projects, technical skills, education, and certifications.
- Built the application using React Hooks and reusable functional components.
- Optimized the website for performance and mobile responsiveness.

2. Tic-Tac-Toe Game

Technologies : React.js, Javascript, HTML5, CSS3

- Developed a two-player Tic-Tac-Toe game using React.js.
- Implemented game logic, winner detection, score tracking, and board reset functionality.
- Used React state and event handling for real-time gameplay.
- Designed a responsive interface for an enhanced user experience.

3. Dental Clinic Appointment Management Website

Technologies : React.js, Javascript, HTML5, CSS3

- Designed and developed a responsive appointment booking website for a dental clinic.
 - Created an intuitive interface for appointment scheduling and clinic information.
 - Implemented reusable React components for scalability.
 - Ensured a seamless experience across desktop and mobile devices.
-

CERTIFICATES

- Certified Full Stack Developer
- Udemy Certified Python
- Udemy Certified React js
